

1 DAY / 1 CLASS / 1 NATION

JUNE 28, 2008

presented by

"I'm absolutely thrilled that Athletes for a Cure is including the Cancer Schmancer Movement as part of the Spinning Nation fundraising event. I intend to do everything in my power to harness my celebrity to further its success. And I thank you from the bottom of my heart for helping us realize our goal to ensure that all women's cancers get diagnosed in Stage One when they're most curable."

Fran Drescher,
actress, visionary and
president, Cancer Schmancer
