

Brooklyn Runners?

I'm going to be staying in Greenpoint for the Thanksgiving holiday and would love to take a running tour of the area as I've only ever run in Manhattan and never in Bklyn.

Is there anyone around who would like to maybe go for a 6-10 mile run maybe on Saturday morning?

I wasn't planning to be in Brooklyn on the weekend but if you're interested, there's a 5 mile Turkey Trot on Thursday morning in Prospect Park. More info here: <http://www.pptc.org/>
