

Taking Better Cycling Photos

[Jesse@Active](#) 102 posts since

Jul 3, 2007

I just posted a new article from cycling photographer extraordinaire Mark Johnson called 5 Tips for Better Cycling Photos. In addition to the cool shots in that article, you can check out his cycling galleries on his website: ironstring.com .

So anybody else out there take a cool cycling shots from races or rides near you? How about pics while riding? (Not that I condone unsafe cycling, but those shots can be pretty cool)

Let's see 'em!
