a thought came across my mind while watching the movie (and sorry I do think as a Race Director quite often)

Are the people who "starred" in this movie people you'd want to meet?

Would their appearance at a race be a draw? Any different than Bingham or Bill Rodgers?

DIDN'T 'THE MOVIE' JUST CREATE NEW EVERY-MAN RUNNING CELEBRITIES

Anyone have contact info for the production company or any of the featured runners?

PS D.Drossin should have her own cooking show!
