Where did my running log for the last two years go?!?

I haven't seen it since Active took over the website!

I have lost my Cool Running workout log as well. The only thing showing up on my calendars is my Pilates workouts. Nothing else has transferred. I had three years of data on my Cool Running Log.....  :\_|

Cool Running workout log is gone...

Can you help me too?????

I welcome any help you can offer so I can get my old training logs back.

Thanks.

Mark
