We are holding the first ever runner Karaoke contest... in a small 5K race. So what running tunes get stuck in your head when you run?

Mine is always "Running on Empty" by the Eagles.. Oh the race is "Will Run for Beer" Smuttynose 5K June 22nd in Newmarket NH.

One of my favorites is "How Fast Can You Run" by Rocco DeLuca.

Pink Floyd had at least 2: "On The Run" and "Run like ****" (yes, I know Active is going to censor that one).

Songs with a "running" theme or the...

How about "Band On the Run" by Wings?

And of course... "Born To Run" by Bruce.

I'm sure there are many others.

Is "Running on Empty" a title, or just in the words of an older song?

"My little run-around"?

I love listening to music when I run and when warming up. My favorite "Running" tune is "Born To Run" by Emmylou Harris and it is not the same "Born To Run" by Springsteen, which is a good song as well, but you have to take a listen to this one by Emmylou Harris. When I hear it, it sparks something inside me and speeds me up.

I have a "Running" list saved to my MP3 player, which has more than five songs but I will share them.

Running on Empty - Jackson Brown

Run, Runaway - Slade

Runaway - Bon Jovi

Songs with a "running" theme or the...

Running Down a Dream - Tom Petty

I Ran - Flock of Seagulls

Who Will You Run To - Heart

Run To You - Bryan Adams

(Nothing's Gonna) Break My Stride - Matthew Wilder

Eagles Fly - Sammy Hagar

Winning - Santana

New Attitude - Patti LaBelle

Songs with a "running" theme or the...

Again, I highly recommend Emmylou Harris's "Born To Run"

"The Loneliness of the Long Distance Runner" by Iron Maiden

The tough of the track
With the wind and the rain that's beating down on your back
Your heart's beating loud and goes on
Getting louder and goes on even more
'Til the sound is ringing in your head
With every step you tread
And every breath you take
Determination makes you run
never stop
Got to win got to run 'til you drop
Keep the pace, hold the race
Your

Songs with a "running" theme or the...

mind is getting clearer
You're over halfway there
But the miles they never seem to end
As if you're in a dream
Not getting anywhere, it seems so futile

Run on and on
Run on and on
The loneliness of the long distance runner

I've got to keep running the course
I've got to keep running and win at all costs
I've got to keep going be strong
Must be so determined and push myself on

Run over stiles across fields, turn to look at who's on your heels
Way ahead of the field, the line is getting nearer but do you want the glory that goes
You reach the final stretch, ideals are just a trace
You feel like throwing the race, it's all so futile

Run on and on
Run on and on
The loneliness of the long distance runner

Run on and on
Run on and on
The loneliness of the long distance runner

"Running On Faith" - Eric Clapton

"Running To Stand Still" - U2

"Hit The Ground Runninn" - Lonny Lang

and

"It Keeps You Running" - The Doobie Brothers

My personal favorite were already listed (Born To Run and Running Down A Dream).
