Hi I am new to this and I did not make the cut off for registration for the MCM. I spoke with reps @ registration and they said check the message board to see if anyone was unable to run for any reason, and do a transfer with that runner

Thanks

Eric

Hi Eric,

Looking for a spot on MCM????

I have a spot in MCM and I could transfer it to you. I just completed the transferor form on the website and you'll need to complete the transferee form, and you'll be ready to race!

Let me know if you're interested.

Sara

Hi Sara,

I am going to try this again. I sent you a private message because this one will not allow me to send. So if you get this please check your private messages.

Thanks

Looking for a spot on MCM????

Hi Sara,

Sorry I sent you the message in private message format but my computer would not allow me to replay the other way..

Yes I am very interested thank you. I am not savvy with the MCM website, can you tell me where I have to go and fill out my information? Also did you have to pay to register and if so do I pay you then.. Just curious not to sure how it works.

This is the second time I have sent this.. Hopefully it works.. Last time it would not allow it.

Thank you again,

Eric
