**Join The Responsible Sports Movement and earn a \$2500 grant for your team or league.**

Liberty Mutual's Responsible Sports Program awards 20 grants each season to youth sports teams, leagues and associations who demonstrate a commitment to Responsible Sports. It's easy. Register your organization at [www.responsiblesports.com/grant](http://www.responsiblesports.com/grant). Then rally your community - coaches, administrators, parents and supporters - to take the Responsible Sport Parenting or Responsible Coaching coursework and quiz. Each completed quiz earns your team a point. Teams at the end with the most points win. Simple. Grants are awarded to large organizations (7 grants awarded), small organizations (7 grants awarded) and schools (6 grants awarded).

**DEADLINE: NOVEMBER 30, 2008**
