So there is an awesome event coming up February 20-21 at Wright State, Five Rivers Outdoors is hosting the Adventure Summit. This event will be a fun time for anyone who is interested in learning about outdoor activities. Also you will be able to watch and participate in some cool competitions.

Activities include presentations and workshops, a bouldering competition, a kayaking competition, a snowboarding competition, possibly an indoor triathlon, and party with the pros. Even Polar Explorer Ann Bancroft will be there! (She was the first woman to cross the ice to both the North and South poles.)

(It is all free except for the bouldering competition!)
