

Mavericks Surf Team Added to Jim Beams...

mstreet1 2 posts since

Feb 19, 2009

Jim Beams "Stuff Inside" recognizes that "Maverick" waves are the perfect challenge, a Maverick is sometimes called the worlds most dangerous wave. Im writing to let everyone know that the Maverick's surfers have been added as a featured subject on "The Stuff Inside".

You can find out more about them and watch some great videos by going here:
