

MINNESOTA: Help! I need a canoeist for...

Okay - I realize this is a LONG SHOT but I figured I would try. I am interested in swimming the 'Minnetonka Challenge' which is a 5 mile swim race held at Lake Minnetonka on Saturday, July 18, 2009. Here is the website <http://www.minnesotamasters.com/meetinfo/2009/2009%20Minnetonka%20Challenge%20Registration.pdf>

Anyways, to make a long story short, in order for me to get into the event, I need someone to canoe alongside me - I don't know anyone who even canoes or kayaks! I don't have much in terms of finances so I am looking for someone who purely is looking for some time to get out and canoe (with me swimming alongside). I won't drown; it's just a requirement to be in the race. You aren't responsible for anything. If you are interested, or know anyone who is, PLEASE get in touch with me - the deadline is approaching and I live in Duluth, so I need to get moving on this fast. THANKS and if you know any avid canoeists/kayakers please pass this on!
